In reply to your favor of July 16th I do not consider the case of my mother as yet cleaned up. I am not pleased with the reports I have been getting from her sister and I wrote the family doctor in Boston last week to examine her. That is all I can say at the present moment.

Very truly yours,

The enclosed letter just received and I am forwarding it to you. This is in reference to Policy No. F 50464 made out to Elizabeth E. M. Wood. I do not think it is necessary that I should be bothered with these requests for settlement. You at the time stated you would give this prompt attention.

Very truly yours,

HW:JG

I am herewith enclosing a letter from L. E. Behrnnt concerning the damage done to his car. He is evidently under a misaprehension as to whom he should take the matter up.

I am herewith sending the final doctor's bill relating to injuries to my mother, Mrs. George H. Wood. You have received the other bills. I am sorry concerning the delay in sending this bill - but Dr. Floyd has been away for over a month. I enclose a bill from Dr. Cleaveland Floyd for $5.00.

Very truly yours,
